BELLSOUTH TELECOMMUNICATIONS, INC.'S
OBJECTIONS TO FCTA'S FIRST SET OF INTERROGATORIES

BellSouth Telecommunications, Inc. ("BellSouth" or "Company"), hereby files, pursuant to Rule 25-22.034 and 25-22.035, Florida Administrative Code, and Rules 1.340 and 1.280(b), Florida rules of Civil Procedure, hereby submits the following Objections to Florida Cable Telecommunications Association, Inc.'s ("FCTA") First Set of Interrogatories to BellSouth.

The objections stated herein are preliminary in nature and are made at this time for the purpose of complying with the ten-day requirement set forth in the procedural order issued by the Florida Public Service Commission ("Commission") in this docket. Should additional grounds for objection be discovered as BellSouth prepares its Answers to the above-referenced set of interrogatories, BellSouth reserves the right to supplement, revise, or modify its objections at the time that it serves its Answers on FCTA. Moreover, should BellSouth determine that a Protective Order is necessary with respect to any of the material requested by FCTA, BellSouth reserves the right to file a motion with the Commission seeking such an order at the time that it serves its Answers on FCTA.

FPSC-RECORDS/REPORTING

GENERAL OBJECTIONS

BellSouth makes the following General Objections to FCTA's First Set of Interrogatories which will be incorporated by reference into BellSouth's specific responses when its Answers are served on FCTA.

1. BellSouth objects to the interrogatories to the extent that such interrogatories seek to impose an obligation on BellSouth to respond on behalf of subsidiaries, affiliates, or other persons that are not parties to this case on the grounds that such requests are overly broad, unduly burdensome, oppressive, and not permitted by applicable discovery rules.

2. BellSouth has interpreted FCTA's interrogatories to apply to BellSouth's regulated intrastate operations in Florida and will limit its Answers accordingly. To the extent that any interrogatory is intended to apply to matters other than Florida intrastate operations subject to the jurisdiction of the Commission, BellSouth objects to such interrogatory as irrelevant, overly broad, unduly burdensome, and oppressive.

3. BellSouth objects to each and every interrogatory and instruction to the extent that such interrogatory or instruction calls for information which is exempt from discovery by virtue of the attorney-client privilege, work product privilege, or other applicable privilege.

4. BellSouth objects to each and every interrogatory insofar as the request is vague, ambiguous, overly broad, imprecise, or utilizes terms that are subject to multiple

interpretations but are not properly defined or explained for purposes of these interrogatories. Any Answers provided by BellSouth in response to FCTA's interrogatories will be provided subject to, and without waiver of, the foregoing objection.

5. BellSouth objects to each and every interrogatory insofar as the request is not reasonably calculated to lead to the discovery of admissible evidence and is not relevant to the subject matter of this action. BellSouth will attempt to note each instance where this objection applies.

6. BellSouth objects to FCTA's discovery requests, instructions and definitions, insofar as they seek to impose obligations on BellSouth which exceed the requirements of the Florida Rules of Civil Procedure or Florida Law.

7. BellSouth objects to providing information to the extent that such information is already in the public record before the Florida Public Service Commission.

8. BellSouth objects to each and every interrogatory, insofar as it is unduly burdensome, expensive, oppressive, or excessively time consuming as written.

9. BellSouth objects to each and every interrogatory to the extent that the information requested constitute "trade secrets" which are privileged pursuant to Section 90.506, Florida Statutes. To the extent that FCTA's interrogatories request proprietary confidential business information which is not subject to the "trade secrets" privilege, BellSouth will make such information available to counsel for FCTA pursuant to an

appropriate Protective Agreement, subject to any other general or specific objections contained herein.

OBJECTIONS TO SPECIFIC INTERROGATORIES

10. BellSouth objects to Interrogatory No. 5 on the grounds that the requests does not seek information relevant to the issues in this docket nor is the request reasonably calculated to lead to the discovery of admissible evidence.

Respectfully submitted this 30th day of August, 1996.
