Public Service Commission  
2540 Shumard Oak Boulevard  
Tallahassee, Florida 32399

Dear Mr. Jenkins:

Reference: City Gas Company of Florida  
Request for Rate Increase

The Titusville City Council is concerned about the above referenced rate increase and impact it will have on our citizens. We are hopeful that the Public Service Commission will look very closely at this increase and consider the hardship it may cause. A City representative will be in attendance at the September 12, 1996 hearing in Cocoa Beach to voice an objection to City Gas Company of Florida's rate increase request and answer any questions regarding this letter.

If you have any questions or comments regarding this matter, please do not hesitate to contact me.

Very truly yours,

Thomas R. Mariani, Mayor
