===NOTE=====9/10/96==1:22pm=====

These three dockets have been consolidated by orders of the prehearing officer. As soon as time permits, I will go back through the filings that have been made in each of the dockets since the first order (which consolidated 960833 and 960846) was issued, and will correct CMS to show the filings only in 960833. Filings in 960916 will be shown in that docket up until the issuance date of the order consolidating all three dockets.

Linda, you should no longer post filings to all three dockets. CMS entries of descriptions of documents that have more than just Docket 960833-TP shown on them should include the words "filed only in 960833."

Don, filings for any of the three dockets should be placed only in 960833-TP.

Linda, please print out this e-mail and give it a document number. We will use it as a "stopping point" (along with the orders consolidating) for 960846-TP and 960933-TP. Kay
