I spoke to the owner of this company in order to get the correct spelling of everything, and we determined that the correct new name should be "Gene McDonald d/b/a McDonald Communications."

The order will reflect this. Should we change the docket title as well to minimize any confusion with your staff?

Yes, we must change docket title in CMS. In fact, I'll use your e-mail as a document to number for a "paper trail" on changing the name. I'll also copy Brenda Hawkins so she will know for preparing the recommendation.
