RE: Request for Confidentiality

In response to a staff request for information in Docket No. 960325-EI, Gulf Power Company filed a document relating to its costs for installing residential electric distribution systems. In order to avoid filing the document as confidential, Gulf Power filed a copy of the document under a Notice of Intent to Request Confidentiality. This allowed staff to review the document for a period of 21 days without requiring Gulf Power to actually request confidential status.

Having sufficiently reviewed the material, staff requests that the document #09270-96 be returned to Gulf Power Company.
