RE: Item 31 - October 8, 1996 Agenda Conference

Staff requests that consideration of its recommendation in Docket 961085-TI, Item 31 on the agenda for the October 8, 1996 Agenda Conference, be deferred until the November 12, 1996 Agenda Conference. Staff has recently been in contact with Tel-Central's attorney and has been presented with information that was not available when our recommendation was filed. Staff expects to have the issues clarified before the November 12, 1996 Agenda Conference.
