RE: Item 32 - October 8, 1996 Agenda Conference

Staff requests that consideration of its recommendation in Docket 961089-TI, Item 32 on the agenda for the October 8, 1996 Agenda Conference, be deferred until the November 12, 1996 Agenda Conference. Staff has recently discovered information regarding Conecteo Communications which makes it unclear as to the exact name and nature of the company in question. Staff expects to have these issues clarified before the November 12, 1996 Agenda Conference.
