Dear Ms. Kaufman:

This is to inform you that pursuant to Rule 25-22.006(4), Florida Administrative Code, your request for confidential classification, dated September 3, 1996, in Docket No. 960502-GU is deficient in the following respects:

1. The workpapers filed by the Company along with its request does not include several workpapers which are contained in staff's confidential workpaper binder. (See workpaper nos. 1, page 32; 8; 9-2/1; and 16-4)
2. The Company failed to provide complete justification for material obtained from its external auditors. (See Justification 5)
3. The Company failed to provide complete justification for material which it claims is customer specific information. (See workpaper no. 41-4 B)

If a revised filing which meets the requirements of the rule is not received by the Director of Records and Reporting within 15 days from the date of this letter, a recommendation to the Prehearing Officer will be made to deny the request pursuant to Rule 25-22.006(4), Florida Administrative Code. After the time for appeal of the Prehearing Officer's order has run, the material will become public record and will be placed in the docket file.

Please govern yourselves accordingly.
