To Whom It May Concern:

We are requesting an extension of time on the administrative hearing on Docket No. 960814-WS for the following reason. We have contacted an attorney and he will make an offer from us to sell the Utilities to the Heather Hills Estates Home Owners Association.

The offer will be made in a legal document to the Board of Heather Hills Estates Home Owners Association in November when the Board members have returned to the Park.

We have called the President of the Board and talked with the residents at their last Coffee hour to let them know our intentions of selling the Utilities to the Homeowners.

After talking with a majority of the persons in our Park, we do feel that the rates as charged before October 11, 1995 were fairer to everyone.

Thank you for taking this into consideration,

Keith Starkey
