Re: Docket No. 960134-WS - Application for amendment of Certificates Nos. 511-W and 467-S in Marion and Sumter Counties by Spruce Creek South Utilities, Inc.

Dear Mr. & Mrs. Cunningham:

On April 18, 1996, we responded to your February 14, 1996 letter. Included in our response was a letter from Spruce Creek South Utilities, Inc., clarifying the notice you received regarding the utility's proposed expansion of territory. We requested a response from you by May 1, 1996 indicating whether or not you intended to pursue a protest.

To date, we have received no further correspondence from you. Subsequently, we have made several attempts to contact you by telephone. Unfortunately, we have been unsuccessful in reaching you.

It is very important for us to know what your present intentions are. That is, are you still requesting an evidentiary hearing on the Application for Amendment? Could you please call me at (904) 413-6216 or send a written response indicating your intentions by October 30, 1996 to:
