Re: Docket No. 921098-WS

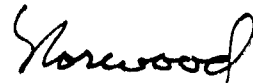

Dear Edie:

In accordance with our telephone conversation of this morning, please be advised that Heritage Links Country Club was billed \$8,470.79 for water and service service for the 13 months in question. If Turkey Creek Utilities had billed Heritage Links at the same rate which you approved for the home owners but without a cap on sewer because they are a commercial customer instead of a residential customer, their bill would have been \$9,952.00 which is \$1,472.00 higher than what they were actually billed.

If you have any questions, please feel free to give me a call.

Yours very truly,

TURKEY CREEK UTILITIES
