RE: DOCKET NO. 960797-TL - 1996 depreciation study of Indiantown Telephone System, Inc. (Deferred from the October 8, 1996 Conference due to Tropical Storm Josephine)

Issue 1: Recommendation that Indiantown's currently prescribed rates should be revised.

APPROVED

Issue 2: Recommendation that the appropriate life and salvage values, based on investments as of December 31, 1995, and reflected on Attachments A, B, and C of staff's memorandum dated September 26, 1996, would result in a decrease in annual expenses of approximately \$850. Attachment A is a comparison of the basic factors approved by the Commission, the factors proposed by the company, and the factors recommended by staff. Attachment B is a comparison of the depreciation rates and components, and Attachment C reflects the resultant depreciation expenses.
