RE: DOCKET NO. 960788-TL - 1996 depreciation study by Frontier Communications of the South, Inc.

Issue 1: Recommendation that currently prescribed rates be revised at this time. A review of Frontier Communications of the South, Inc.'s plans and activity indicates that there is a need for revision of current rates.

APPROVED

Issue 2: Recommendation that Attachment A of staff's October 17, 1996 memorandum is a comparison of the basic factors reflected in Rule 25-4.0175, F.A.C., the factors proposed by the Company, and the factors recommended by staff. Attachment B of staff's memorandum is a comparison of the depreciation rates and components, and Attachment C of staff's memorandum is a comparison of the resultant depreciation expenses. The recommendation, based on investments as of December 31, 1995, would result in a decrease in annual expenses of approximately \$40,000.
