Re: **REQUEST FOR CONFIDENTIAL CLASSIFICATION**

Dear Sir or Madam:

Pursuant to Rule 25-22.006 of the Rules of the Florida Public Service Commission, EarthCall Communications Corporation, an applicant for authority to resell interexchange telecommunications service within Florida, requests **CONFIDENTIAL CLASSIFICATION** for the financial statement submitted as Exhibit D to EarthCall's interexchange resale application.

EarthCall's financial statement is a private, internal document, which the company guards against public disclosure. EarthCall has no reason to believe that this information has been disclosed to anyone outside a small group comprised of EarthCall's Chief Executive Officer, major shareholders and counsel. The restrictions that EarthCall places on this information derive value for the company by guarding its business and marketing strategies, which are an integral part of EarthCall's anticipated success and which would become evident to outsiders, particularly competitors, who were permitted to review EarthCall's commitment of resources.
