Re: Docket No. **961173-TP**
Petition of Sprint Communications Co. Limited Partnership for Arbitration of
Proposed Interconnection Agreement with GTE Florida Incorporated Pursuant to
the Telecommunications Act of 1996

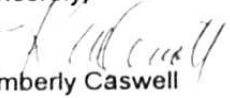

Dear Ms. Bayo:

Please find enclosed for filing an original and 15 copies of corrected Exhibit DBT-8, which was attached to GTE Florida Incorporated witness Dennis Trimble's Direct Testimony in this proceeding. Please discard the original Exhibit DBT-8 and replace it with the new Exhibit DBT-8.

The new version of the exhibit revises the TELRIC and FCC proxy totals to reflect a business customer only. The previous version contained average business and residence data. In addition, the average business revenue per line per month calculation was corrected for a formula error.

Service has been made as indicated on the Certificate of Service. If there are any questions regarding this matter, please contact me at 813-483-2617.

Sincerely,

Kimberly Caswell
