Dear Mr. Mesa:

The Commission received your facsimile objection to Proposed Agency Action Order PSC-96-1333-FOF-EI on November 12, 1996. However, Commission rules do not permit an objection to be sent by facsimile. You must take the following steps to make your objection legally sufficient and timely:

1. Send the same letter by mail to

Director, Division of Records & Reporting
2540 Shumard Oak Boulevard
Tallahassee, Florida 32399-0850

2. This letter must be received by the Division of Records and Reporting no later than November 26, 1996. To meet the deadline we suggest that you mail the letter by overnight mail to ensure that the letter is received timely at the Commission.

3. Be sure and put the Docket No. 961179 on your letter.

Our staff attempted to reach you by telephone on Friday, November 15, 1996, to explain the process. Since we failed to reach you, we are sending this letter to make sure that you have the appropriate information to properly file your protest.
