Re: Docket No. 960915-WS; Application for Amendment of Certificate
Nos. 7-W and 3-S by Florida Cities Water Company - Brevard
County Division.

Dear Mr. Schiefelbein:

By letter dated September 13, 1996 we requested information to
complete this docket. While some of this information, has been
received one item is still needed. A detailed territory map.

Please, plot the utility's territory that was granted by
Orders Nos. 5016 and 9526 along with the current proposed territory
on a map. Please label all angles and distances on the map. If
the territory in the above orders have small errors they can be
corrected in the final order resulting in this amendment. Also, in
the final order the composite description will be listed, which
will simplify your service area.

I believe this is the only remaining item. Once this
information is received staff will prepare a recommendation for the
agenda conference.

Please file one map no later than December 20, 1996 to my
attention with the Director, Division of Records and Reporting,
2540 Shumard Oak Boulevard, Tallahassee, FL 32399-0850.
