RE: Point Water & Sewer, Inc. v. Point Property Owners Association
Case No. 96-1954-CA, Division B

Dear Mr. Reynolds:

As per our telephone conversation on Thursday, please send me courtesy copies of all past and future documents, pleadings, motions, etc. filed in the above mentioned Circuit Court case involving Point Water & Sewer, Inc. (PWS). Since PWS has applied to the Florida Public Service Commission for certificates to operate water and wastewater facilities, the Commission has an interest in any proceeding relating to those certificates or the rates charged by PWS.

Additionally, if you are now representing PWS in the certificate application to the Commission, we would appreciate it if you would file a written statement of that representation with the Records and Reporting Division of the Commission.

Thank you for your time and assistance in these matters. If you have any questions, please call me at (904) 413-6230.

Sincerely,

Kathleen M. Johnson
Staff Counsel
