**TARIFF FORMAT**

---

- A. Sheet Numbering** - Sheet numbers appear in the upper right corner of the page. Sheets are numbered sequentially. However, new sheets are occasionally added to the tariff. When a new sheet is added between sheets already in effect, a decimal is added. For example, a new sheet added between sheets 14 and 15 would be 14.1.
- B. Sheet Revision Numbers** - Revision numbers also appear in the upper right corner of each page. These numbers are used to determine the most current sheet version on file with the FPSC. For example, the 4th revised Sheet 14 cancels the 3rd revised Sheet 14. Because of various suspension periods, deferrals, etc. the FPSC follows in their tariff approval process, the most current sheet number on file with the Commission is not always the tariff pages in effect. Consult the check sheet for sheet currently in effect.
- C. Paragraph Numbering Sequence** - There are nine levels of paragraph coding. Each level of coding is subservient to its next higher level:
- 2.
  - 2.1.
  - 2.1.1.
  - 2.1.1.A.
  - 2.1.1.A.1.
  - 2.1.1.A.1.(a).
  - 2.1.1.A.1.(a).I.
  - 2.1.1.A.1.(a).I.(i).
  - 2.1.1.A.1.(a).I.(i).(1).
- D. Check Sheets** - When a tariff filing is made with the FPSC, an updated check sheet accompanies the tariff filing. The check sheet lists the sheets contained in the tariff, with a cross reference to the current revision number. When new pages are added, the check sheet is changed to reflect the revision. All revisions made in a given filing are designated by an asterisk (\*). There will be no other symbols used on the check sheet if these are the only changes made to it (i.e., the format, etc. remains the same, just revised revision levels on some pages). The tariff user should refer to the latest check sheet to find out if a particular sheet is the most current on file with the FPSC.

**SECTION 1.0 - TECHNICAL TERMS AND ABBREVIATIONS, (Cont'd.)****1.2 Definitions**

The following definitions are applicable to this tariff:

**Access Line** - A local channel for voice, data, or video communications which connects the Customer location to a location of the Company or its underlying carrier.

**Account** - The Customer who has agreed, orally or in writing, to honor the terms of service established by the Company. An Account may have more than one service billed to the same Customer address. An Account may include multiple locations for the same Customer.

**Account Code** - A numerical code, assigned to the Customer, to enable the Company to identify use of a service offering by the Customer and to bill the use of that service offering by the Customer. Multiple Account Codes may be assigned to the Customer to identify individual users or groups of users.

**Authorization Code** - A pre-defined series of numbers to be dialed by the Customer upon access to the Company's system to identify the caller and validate the caller's authorization to use the services provided. The Customer is responsible for charges incurred through the use of his or her assigned Authorization Code.

**Business Customer** - For the purpose of this tariff, a Business Customer is a Customer of the Company whose primary use of the Company's service is for business purposes. A Business Customer is also a Customer who accesses the Company's service using an access line that has been assigned a business class of service by the local service provider.

**Company** - American Long Lines, Inc., unless stated otherwise.

**Company's Point of Presence** - Location of the serving central office associated with access to the Company's or its underlying carrier's network.

**SECTION 2.0 - RULES AND REGULATIONS, (Cont'd.)**

**2.3 Payment and Credit Regulations**

- 2.3.1 Service is provided and billed on a monthly basis. Bills are due and payable upon receipt.
- 2.3.2 The Customer is responsible for payment of all charges for service furnished to or used by the Customer, or the Customer's agents, servant, employees or customers. The Customer is also responsible for payment of charges for a third person's use of service to which the Customer subscribes. All charges due from the Customer are payable to the Company or to the Company's authorized billing agent. Any objections to billed charges must be reported promptly to the Company.
- 2.3.3 The security of the Customer's Authorization Codes is the responsibility of the Customer. All calls placed using such Authorization Codes shall be billed to and shall be the obligation of the Customer. The Customer shall not be responsible for charges in connection with the unauthorized use of Authorization Codes arising after the Customer notifies the Company of the loss, theft, or other breach of security of such Authorization Codes.
- 2.3.4 The Company reserves the right to assess a charge whenever a check or draft presented for payment of service is not accepted by the institution upon which it is written.
- 2.3.5 The Customer shall be responsible for all calls placed by or through Customer's equipment by any person. In particular and without limitation to the foregoing, the Customer is responsible for any calls placed by or through the Customer's equipment via any remote access features. The Customer is responsible for all calls placed via their Authorization Code, whether such use is as a result of the Customer's intentional or negligent disclosure of the Authorization Code or otherwise.

**2.3 Payment and Credit Regulations, (cont'd.)**

**2.3.6 Deposits**

The Company does not require a deposit from the Customer.

**2.3.7 Advance Payments**

For Customers whom the Company determines an advance payment is necessary, the Company reserves the right to collect an amount not to exceed one (1) month's estimated charges as an advance payment for service. This will be applied against the next month's charges and a new advance payment may be collected for the next month.

**2.3.8 Taxes**

Company reserves the right to bill any and all applicable taxes in addition to normal long distance usage charges, including, but not limited to: Federal Excise Tax, State Sales Tax, Municipal Taxes, and Gross Receipts Tax. Such taxes will be assessed on a pro rata basis and itemized separately on Customer bills.

**SECTION 2.0 - RULES AND REGULATIONS, (Cont'd.)****2.4 Refunds or Credits for Service Outages or Deficiencies****2.4.1 Interruption of Service**

Credit allowances for interruptions of service which are not due to the Company's testing or adjusting, to the negligence of the Customer or Subscriber, or to the failure of channels, equipment and/or communications systems provided by the Customer or Subscriber, are subject to the general liability provisions set forth in this tariff. It shall be the obligation of the Customer to notify Company immediately of any interruption in service for which a credit allowance is desired by Customer. Before giving such notice, the Customer shall ascertain that the trouble is not within his or her control, or is not in wiring or equipment, if any, furnished by Customer. Interruptions caused by Customer-provided, Subscriber-provided or Company-provided automatic dialing equipment are not deemed an interruption of service as defined herein since the Customer has the option of using the long distance network via LEC access. For purposes of credit computation every month shall be considered to have 30 days. For services with a monthly recurring charge, no credit shall be allowed for an interruption of continuous duration of less than twenty-four hours. For message rated toll services, credits will be limited to, at maximum, the price of the initial period of individual call that was interrupted.

The Customer shall be credited for an interruption of one day (24 hours) or more at the rate of 1/30th of the monthly charge for the services affected for each day that the interruption continues.

Credit Formula:

$$\text{Credit} = A/30 \times B$$

A = outage time in days

B = total monthly charge for affected service.

- 2.5.1 The liability of the Company for damages of any nature arising from errors, mistakes, omissions, interruptions, or delays of the Company, its agents, servants, or employees, in the course of establishing, furnishing, rearranging, moving, terminating, or changing the service or facilities or equipment shall not exceed an amount equal to the charges applicable under this tariff (calculated on a proportionate basis where appropriate) to the period during which such error, mistake, omission, interruption or delay occurs.
- 2.5.2 In no event shall the Company be liable for any incidental, indirect, special, or consequential damages (including, but not limited to, lost revenue or profits) of any kind whatsoever regardless of the cause or foreseeability thereof.
- 2.5.3 When the services or facilities of other common carriers are used separately or in conjunction with the Company's facilities or equipment in establishing connection to points not reached by the Company's facilities or equipment, the Company shall not be liable for any act or omission of such other common carriers or their agents, servants or employees.
- 2.5.4 The Company shall not be liable for any failure of performance hereunder if such failure is due to any cause or causes beyond the reasonable control of the Company. Such causes shall include, without limitation, acts of God, fire, explosion, vandalism, cable cut, storm or other similar occurrence, any law, order, regulation, direction, action or request of the United States government or of any other government or of any civil or military authority, national emergencies, insurrections, riots, wars, strikes, lockouts or work stoppages or other labor difficulties, supplier failures, shortages, breaches or delays, or preemption of existing service to restore service in compliance with state and federal law.
- 2.5.5 The Company shall not be liable for interruptions, delays, errors, or defects in transmission, or for any injury whatsoever, caused by the Customer, or the Customer's agents, servants, employees, or customers, or by facilities or equipment provided by the Customer.

**SECTION 2.0 - RULES AND REGULATIONS, (Cont'd.)****2.7 Discontinuance and Restoration of Service**

Service continues to be provided until canceled by the Customer or until canceled by the Company as set forth below. The Company may render bills subsequent to the termination of service for charges incurred before termination. The Customer will pay such bills in full in accordance with the payment terms of this tariff.

**2.7.1** Service may be suspended by the Company, without notice to the Customer, by blocking traffic to certain cities or NXX exchanges, or by blocking calls using certain Customer travel cards when the Company deems it necessary to take such action to prevent unlawful use of its service. ALL will restore services as soon as it can be provided without undue risk, and will upon request by the Customer, assign new travel card codes to replace ones that have been deactivated.

**2.7.2 Cancellation by the Customer**

The Customer may have service discontinued upon written or verbal notice to the Company. The Customer shall pay the Company for service furnished until the cancellation date specified by the Customer or until the date that the written cancellation notice is received, whichever is later.

**2.7.3 Cancellation by the Company**

- (i) For Nonpayment: The Company, by written notice to the Customer and in accordance with applicable law, may discontinue service or cancel an application for service without incurring any liability when there is an unpaid balance for service that is more than 60 days overdue.
- (ii) For Returned Checks: The Customer whose check or draft is returned unpaid for any reason, after two attempts at collection, shall be subject to discontinuance of service in the same manner as provided for nonpayment of overdue charges.

- (iii) For Lack of Use: The Company, by written notice to the Customer, may discontinue service in the same manner as provided for nonpayment of overdue charges if after three full billing cycles the service has not been used.
- (iv) For violation of law or this tariff: Except as provided in this tariff, the Customer shall be subject to discontinuance of service, without notice, for any violation of terms of this tariff, for any violation of any law, rule, regulation, order, decree or policy of any government authority of competent jurisdiction, or by reason of any order or decision of a court or other government authority having jurisdiction which prohibits the Company from furnishing such service or prohibits Customer from subscribing to, using, or paying for such service.
- (v) For the Company to comply with any order or request of any governmental authority having jurisdiction: The Customer shall be subject to discontinuance of service, without notice, in order to permit the Company to comply with any order or request of any governmental authority having jurisdiction.
- (vi) For unauthorized or unlawful use of Travel Card numbers and Authorization Codes: Travel Card Numbers and Authorization Codes are issued by the Company only to the Customer and may not be sold or otherwise distributed without the written consent of the Company. Any unauthorized or unlawful use of such numbers or Authorization Codes shall result in the immediate termination of service without notice.

**2.7.4 Notice of Discontinuance**

ALL may refuse or discontinue service under the following conditions provided that, unless otherwise stated, the Customer shall be given 15 days notice to comply with any rule or remedy any deficiency:

- (A) For non-compliance with or violation of any State, municipal, or Federal law, ordinance or regulation pertaining to telephone service.
- (B) For use of telephone service for any purpose other than that described in the application.
- (C) For neglect or refusal to provide reasonable access to ALL or its agents for the purpose of inspection and maintenance of equipment owned by ALL or its agents.
- (D) For noncompliance with or violation of Commission regulation or ALL's rules and regulations on file with the Commission, provided five (5) working days' written notice is given before termination.
- (E) For nonpayment of bills, provided that suspension or termination of service shall not be made without five (5) days written notice to the Customer, except in extreme cases. Such notice will be provided in a mailing separate from the customer's regular monthly bill for service.
- (F) Without notice in the event of Customer or Authorized User use of equipment in such a manner as to adversely affect ALL's equipment or service to others.

- (G) Without notice in the event of tampering with the equipment or services owned by ALL or its agents.
- (H) Without notice in the event of unauthorized or fraudulent use of service. Whenever service is discontinued for fraudulent use of service, ALL may, before restoring service, require the Customer to make, at his or her own expense, all changes in facilities or equipment necessary to eliminate illegal use and to pay an amount reasonably estimated as the loss in revenues resulting from such fraudulent use.
- (I) Without notice by reason of any order or decision of a court or other government authority having jurisdiction which prohibits Company from furnishing such services.

**2.7.5 Restoration of Service**

If service has been discontinued for nonpayment or as otherwise provided herein and the Customer wishes it continued, service shall, at the Company's discretion, be restored when all past due amounts are paid or the event giving rise to the discontinuance (if other than nonpayment) is corrected.

The Company reserves the right to require Customers to make application(s) for service in writing using forms provided by the Company. Upon acceptance of an application for service by the Company, all applicable provisions in the Company's tariffs, as amended from time-to-time which are lawfully on file, become the agreement for service between the Company and the Customer. Requests for additional service and changes to service, upon acceptance by the Company, become a part of the agreement for service, provided that each item of additional service shall be subject to the applicable minimum term of service. Acceptance or use of service offered by the Company shall be deemed an application for such service and an agreement by the Customer to subscribe to, use, and pay for such service in accordance with the applicable tariffs of the Company, as amended from time to time, which are lawfully on file. Any change in rates or other tariff provisions which are lawfully made shall be deemed to modify all agreements for service affected by such changes without further notice by Company to the Customer.

SECTION 2.0 - RULES AND REGULATIONS, (Cont'd.)

2.9 Limitations of Service

- 2.9.1 Service is offered subject to the availability of the necessary facilities and/or equipment and subject to the provisions of this tariff. The Company may decline applications for service to or from a location where the necessary facilities or equipment are not available. The Company may discontinue furnishing service in accordance with the terms of this tariff.
- 2.9.2 The Company reserves the right to discontinue or limit service when necessitated by conditions beyond its control (examples of these conditions are more fully set forth elsewhere in this tariff), or when service is used in violation of provisions of this tariff or the law.
- 2.9.3 The Company does not undertake to transmit messages, but offers the use of its service when available, and, as more fully set forth elsewhere in this tariff, shall not be liable for errors in transmission or for failure to establish connections.
- 2.9.4 The Company reserves the right to refuse to process Third Party Billed calls when the billed party and/or standard validation techniques do not confirm acceptance, or based on characteristics of the originating location.
- 2.9.5 The Company reserves the right to refuse to process Travel Card billed calls when authorization for use of the card cannot be validated.
- 2.9.6 The Company reserves the right to discontinue service, limit service, or to impose requirements as required to meet changing regulatory or statutory rules and standards, or when such rules and standards have an adverse material effect on the business or economic feasibility of providing service, as determined by the Company in its reasonable judgment.
- 2.9.7 Service is offered subject to restrictions imposed upon the Company by any authority having authority over the Company's provision of service.

**SECTION 2.0 - RULES AND REGULATIONS, (Cont'd.)**

**2.10 Use of Service**

**2.10.1** Service may be used for any lawful purpose for which it is technically suited. Customers who resell or rebill ALL's Florida intrastate service must have a Certificate of Public Convenience and Necessity as an interexchange carrier from the Florida Public Service Commission.

**2.10.2** The Customer obtains no property right or interest in the use of any specific type of facility, service, equipment, number, process, or code. All right, title and interest to such items remain, at all times, solely with the Company or its underlying carrier, as appropriate.

**2.10.3** Recording of telephone conversations of service provided by the Company under this tariff is prohibited except as authorized by applicable federal, state and local laws.

**2.11 Assignment or Transfer**

The Customer may not transfer or assign the use of service offered by the Company without the express prior written consent of the Company. Such transfer or assignment shall only apply where there is no interruption of the use or location of service. All terms and conditions contained in this tariff shall apply to all such permitted transferees or assignees, as well as all conditions of service.

**2.12 Employee Concessions**

[Reserved for future use.]

**2.13 Interconnection**

**2.13.1** Service furnished by the Company may be interconnected with services or facilities of other authorized communications common carriers and with private systems, subject to technical limitations established by the Company. Service furnished by the Company is not part of a joint undertaking with such other common carriers or systems. The Company does not undertake to provide any special facilities, equipment, or services to enable the Customer to interconnect the facilities or the equipment of the Company with services or facilities of other common carriers or with private systems.

**2.13.2** Interconnection with the services or facilities of other common carriers shall be under the applicable terms and conditions of this tariff and the other common carrier's tariffs.

**2.13.3** The Customer shall ensure that the facilities or equipment provided by the Customer are properly interconnected with the facilities or equipment of the Company. If the Customer maintains or operates the interconnected facilities or equipment in a manner which results or may result in harm to the Company's facilities, equipment, personnel, or the quality of service, the Company may, upon written notice, require the use of protective equipment at the Customer's expense. If this written notice fails to eliminate the actual or potential harm, the Company may, upon written notice, terminate the existing service of the Customer.

Company's facilities and service may be used with or terminated in Customer-provided terminal equipment or systems, such as PBXs, key systems, multiplexers, repeaters, signaling sets, teleprinters, handsets, or data sets. Such terminal equipment shall be furnished and maintained at the expense of the Customer, except as otherwise provided in this tariff or by contract between the Customer and the Company. The Customer is responsible for all costs at his or her premises, including personnel, wiring, electrical power, and the like, incurred in the use of Company's service. When such terminal equipment is used, the equipment shall comply with applicable rules and regulations of the Federal Communications Commission, including, but not limited to, Part 68. In addition equipment must comply with generally accepted minimum protective criteria standards and engineering requirements of the telecommunications industry which are not barred by the Federal Communications Commission.

**2.15 Applicable Law**

This tariff shall be subject to and construed in accordance with Florida law.

**2.16 Minimum Service Period**

The minimum service period is one month (30 days), unless otherwise specified by tariff or contract.

**2.17 Local Charges and Cellular Air Time Charges**

In certain instances, the Customer may be subject to local exchange company charges or message unit charges or to cellular company air time charges to access the Company's network or to terminate intrastate calls. The Company shall not be responsible for any such local charges incurred by the Customer in gaining access to the Company's network.

**SECTION 3.0 - DESCRIPTION OF SERVICE**

**3.1 Quality and Grade of Service Offered**

Minimum Call Completion Rate - Customers can expect a call completion rate of not less than 90% during peak use periods for Feature Group D 1+ dialing. The call completion rate is calculated as the number of calls completed (including calls completed to a busy line or to a line which remains unanswered by the called party) divided by the number of calls attempted.

**SECTION 3.0 - DESCRIPTION OF SERVICE, (Cont'd.)**

---

**3.2 Calculation of Distance**

Usage charges for any mileage sensitive services are based on the airline distance between the rate center locations associated with the originating and terminating points of the call.

The distance between the originating and terminating points is calculated by using the "V" and "H" coordinates of the applicable rate centers as defined by BellCore (Bell Communications Research), in the following manner:

Step 1 - Obtain the "V" and "H" coordinates for the rate center of the originating and the destination points.

Step 2 - Obtain the difference between the "V" coordinates of each of the rate centers. Obtain the difference between the "H" coordinates.

Step 3 - Square the differences obtained in Step 2.

Step 4 - Add the squares of the "V" difference and "H" difference obtained in Step 3.

Step 5 - Divide the sum of the square obtained in Step 4 by ten (10). Round to the next higher whole number if any fraction results from the division.

Step 6 - Obtain the square root of the whole number obtained in Step 5. Round to the next higher whole number if any fraction is obtained. This is the distance between the originating and terminating rate centers of the call.

Formula:

$$\sqrt{\frac{(V_1 - V_2)^2 + (H_1 - H_2)^2}{10}}$$

**SECTION 3.0 - DESCRIPTION OF SERVICE, (Cont'd.)**

**3.3 Timing of Calls**

Billing for calls placed over the network is based in part on the duration of the call.

- 3.3.1 Timing for all calls begins when the called party answers the call (i.e. when two way communications are established.) Answer detection is based on standard industry answer detection methods, including hardware and software answer detection.
- 3.3.2 Chargeable time for all calls ends when one of the parties disconnects from the call.
- 3.3.3 Minimum call duration for billing purposes is eighteen (18) seconds unless otherwise specified in the individual rate schedules of this tariff.
- 3.3.4 Calls are measured and billed in six (6) second increments (after the initial 18 seconds) unless otherwise indicated in this tariff. A fractional six second is rounded up to a full increment.
- 3.3.5 There is no billing applied for incomplete calls.

**SECTION 4.0 - RATES, (Cont'd.)****4.2 Exemptions and Special Rates****4.2.1 Discounts for Hearing Impaired Customers**

A telephone toll message which is communicated using a telecommunications device for the deaf (TDD) by properly certified hearing or speech impaired persons or properly certified business establishments or individuals equipped with TDDs for communicating with hearing or speech impaired persons will receive, upon request, credit on charges for certain intrastate toll calls placed between TDDs. The credit to be given on a subsequent bill for such calls placed between TDDs will be equal to applying the evening rate during business day hours and night/weekend rate during evening and night/weekend hours. Discounts do not apply to per call add-on charges for services when the call is placed by a method that would normally incur the surcharge.

**4.2.2 Emergency Call Exemptions**

The following calls are exempted from all charges: Emergency calls to recognizable authorized civil agencies including police, fire, ambulance, bomb squad and poison control. ALL will only handle these calls if the caller dials all of the digits to route and bill the call. Credit will be given for any billed charges pursuant to this exemption on a subsequent bill after verified notification by the billed Customer within thirty (30) days of billing.

**4.2.3 Directory Assistance Charges for Handicapped Persons**

Presubscribed residential Customers or authorized users of Customers' services who are certified as handicapped are exempt from applicable Directory Assistance charges for the first 50 directory assistance calls per month.

**4.2.4 Telecommunications Relay Service Rates**

For toll calls received from the relay service, call charges shall be discounted by 50% from the otherwise applicable usage rate for a voice nonrelay call, except that where the calling or called party indicates that either party is both hearing and visually impaired, the call shall be discounted 60 percent.

**SECTION 5 - PROMOTIONS AND CONTRACTS**

**5.1 Promotions**

From time to time the Company shall, at its option, promote subscription or stimulate network usage by offering to waive some or all of the nonrecurring or recurring charges for the Customer (if eligible) of target services for a limited duration. Such promotions shall be made available to all similarly situated Customers in the target market area.

These promotions will be approved by the FPSC with specific starting and ending dates with promotions running under no circumstances longer than 90 days in any twelve month period.

**5.2 Demonstration of Calls**

From time to time the Company shall demonstrate service by providing free test calls of up to four minutes duration over its network.

**5.3 Contracts**

At the option of the Company, service may be offered on a contract basis to meet specialized requirements of the Customer not contemplated in this tariff. The terms of each contract shall be mutually agreed upon between the Customer and the Company and may include discounts off of rates contained herein, waiver of recurring or nonrecurring charges, charges for specially designed and constructed services not contained in the Company's general service offerings, or other customized features. The terms of the contract may be based partially or completely on the term and volume commitment, type of originating or terminating access, mixture of services or other distinguishing features. Service shall be available to all similarly situated Customers for a fixed period of time following the initial offering to the first contract Customer as specified in each individual contract.
