RE: DOCKET NO. 960325-EI - Revision of tariffs on underground distribution differential costs for Florida Power & Light Company, Florida Power Corporation, Gulf Power Company, and Tampa Electric Company.

Issue 1: Recommendation that the Commission approve Gulf Power Company's updated tariff sheets and charges associated with the installation of underground residential electric distribution facilities, with the provision that the actual costs of underground installations are audited by staff to ensure that they accurately reflect both the revised cable in conduit design and the estimated costs upon which the calculated differential is based.

**APPROVED**

Issue 2: Recommendation that the appropriate effective date for the proposed tariff revisions is November 26, 1996.
