Issue 3: Recommendation that an acquisition adjustment cannot be calculated.

**APPROVED**

Issue 4: Recommendation that Crystal River should continue charging the rates approved for this utility system. Additionally, the utility should be authorized to implement Crystal River's currently approved deposit charges and late fee. The tariff reflecting the change in ownership should be effective for services provided or connections made on or after the stamped approval date. The portion of the order concerning the approval of the deposit charges and late fee should be issued as proposed agency action.

**APPROVED**

Issue 5: Recommendation that, upon expiration of the 21-day protest period, this docket should be closed if no timely protest is received by a substantially affected person to the proposed agency action issues.

**APPROVED**
