RE: DOCKET NO. 961236-GU - Petition for approval of Firm Transportation Supplier Aggregation (FTA) service rider by Peoples Gas System, Inc.

Issue 1: Recommendation that the Commission approve Peoples' petition for a Firm Transportation Supplier Aggregation Service Rider (FTA) on a one-year experimental basis, effective the date of the Commission vote. However, the FTA rider is subject to change, consistent with any final order issued by the Commission in Docket No. 960725-GU, Unbundling Natural Gas Services.

Peoples should be required to file quarterly reports with the Division of Records and Reporting, indicating, but not limited to, the number of customers and usage per customer, by month, per marketer/supplier, until the Commission issues its final order in Docket No. 960725-GU. If a final order is not issued prior to expiration of the one-year experiment, Peoples must file a petition with the Commission to end the pilot, extend the program, or convert the pilot program to a full program.
