I just opened a docket on transfer of control of World Pass Communication Corp. There is no name change, tariff revision, etc. Technologies Mgt (filers) included a \$250 filing fee. The money has been deposited. Should they have given us a filing fee for this type of transaction?

Kay, I will need from the Division of Commusnications a completed refund application form at which time we will forward to the Comptroller for processing.

By copy of this E-Mail I am requesting that someone from Ricks staff please complete the necessary paperwork in order for this company to receive a refund from the Commission. Any questions, please let me know. Thanks.
