To Whom it May Concern:

I would like to cancel my certificate to provide Public Pay phone service effectively immediately. I have not had any phones in service since November and lost money on all of them. If you will tell me how much I owe and how you would like to be paid I will be happy to end this association. I have enclosed what I believe to be my certificate # 4491 as you have requested. Thank-you for your consideration on this matter ,

Yours Truly
