RE: Docket No. 961378-EG

Dear Ms. Bayo:

Gulf Power Company received notice of proposed rule development in the above docket. A request for a rule development workshop is hereby being made with regard to the proposed amendment of Rule 25-17.015, F.A.C., Conservation Cost Recovery. A workshop would permit the various affected utilities and Florida Public Service Commission staff to further explore and comment on the proposed rule.

Please mark the enclosed extra copy of this letter with the date and time that the material was accepted in your office for filing, and return same to the undersigned. Thank you for your assistance in this matter.

Very truly yours,
