

VOTE SHEET

DATE: January 7, 1997

RE: DOCKET NO. 960897-EI - Petition for approval of a new demand-side management program, the Commercial Mail-In Energy Audit program, by Gulf Power Company.

Issue 1: Recommendation that the Commission approve Gulf Power Company's Commercial Mail-In Energy Audit program, including approval for conservation cost recovery, with the caveat that Gulf allocate and recover the costs of this program from the commercial customer class.

(on its own motion, the Commission reconsidered its earlier vote on this issue.)

MODIFIED

The allocation and recovery of costs will be as for other conservation programs.

Issue 2: Recommendation that if no person whose substantial interests are affected by the Commission's proposed agency action files a protest within 21 days of issuance of this order, this docket be closed.
