Re: Forest Hills Utilities, Inc.; Docket No. ~~951475~~1475-SU
Limited Proceeding
Our File No. 29062.02

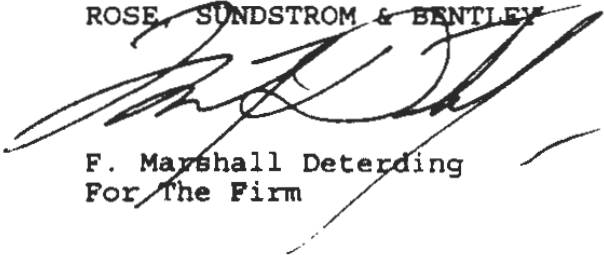

Dear Eric:

As a follow-up to my letter of last Friday, I am attaching a copy of the as-built plans certified by Mr. Sandy Lloveras, P.E., the engineer for Forest Hills Utilities, Inc., demonstrating that the facilities had been constructed and completed by Forest Hills in order to enable it to interconnect with the Pasco County wastewater system and immediately take Forest Hills' existing wastewater treatment plant off-line. The utility is currently in the process of obtaining a permit for this conversion from DEP and expects that within the next week to two weeks. Once the permit is received, Forest Hills will need to immediately divert the flow to Pasco County if emergency rates as requested have been approved. If I can provide you anything else in this regard, please let me know.
