RE: DOCKET NO. 961292-TC - Petition for waiver of rules and policies that prohibit the concentration of access line service for inmate facilities, to allow concentration of up to three instruments to one line, or the equivalent thereof, for pay telephone service located in confinement facilities, by Global Tel*Link Corporation.

Issue 1: Recommendation that the Commission grant Global's petition for an exemption from the provisions of Rule 25-24.515(9), F.A.C., and Order No. 14529 which prohibit Global from installing up to three pay telephone instruments per access line in confinement facilities. The exemption should be for Global's pay telephones located in confinement facilities only, provided there is a concentration of no more than three pay telephone instruments per access line, *or the equivalent thereof.*

Docket No. 961292-TC

January 21, 1997

Issue 2: Recommendation that this docket be closed unless a person whose substantial interests are affected by the Commission's decision files a protest within 21 days of issuance of the proposed agency action order. A protest filed by a local exchange company shall be applicable only to that local exchange company's territory and shall not prevent Global from using a concentration of no more than three pay telephone instruments per access line in a non-protesting LEC's territory.
