Issue 2: Recommendation that OPC's motion for reconsideration and clarification or, in the alternative motion to modify stay be denied. The Commission lacks jurisdiction at this time to make a ruling on OPC's motion. However, the Commission should immediately request that the First District Court of Appeals relinquish jurisdiction of the Commission's order for the purpose of addressing the issues raised by OPC and the concerns identified by staff.

On the Commission's own motion, the stay of order is modified to recognize action taken in another docket to rebalance rates for all other systems. Modified stand alone rates are to be implemented for the Spring Hill system. OPC's motion for reconsideration was denied.

Alternative Recommendation: Recommendation that OPC's motion for reconsideration and clarification or, in the alternative motion to modify stay be denied. The Commission lacks jurisdiction at this time to make a ruling on OPC's motion.

DENIED

Issue 3: Recommendation that SSU be required to modify its current appeal bond in order to secure any potential refunds pending appeal. SSU should be required to increase its current appeal bond to the amount of \$19,552,000.

MODIFIED - *Fallout from issue 2.*
