PART II NEED FOR SERVICE

- A) Exhibit A - If the applicant is requesting an extension of territory, a statement regarding the need for service in the proposed territory, such as anticipated development in the proposed service area.
- B) Exhibit N/A - If the applicant is requesting a deletion of territory, a statement specifying the reasons for the proposed deletion, demonstrating that it is in the public interest and explaining the effect of the proposed deletion on the ability of any customer, or potential customer, to receive water and/or wastewater service, including alternative source(s) of service.
- C) Exhibit A - A statement that to the best of the applicant's knowledge, the provision of service will be consistent with the water and wastewater sections of the local comprehensive plan at the time the application is filed, as approved by the Department of Community Affairs, or, if not, a statement demonstrating why granting the amendment would be in the public interest.

PART III SYSTEM INFORMATION

A) WATER

- (1) Exhibit B - A statement describing the proposed type(s) of water service to be provided by the extension (i.e., potable, non-potable or both).
- (2) Exhibit B - A statement describing the capacity of the existing lines, the capacity of the existing treatment facilities, and the design capacity of the proposed extension.
- (3) Exhibit B - The numbers and dates of any construction or operating permits issued by the Department of Environmental Protection for the system proposed to be expanded.
- (4) Exhibit B - A description of the types of customers anticipated to be served by the extension, i.e., single family homes, mobile homes, duplexes, golf course, clubhouse, commercial, etc.

- (5) If the utility is requesting a deletion of territory, provide the number of current active connections within the territory to be deleted.

N/A

- (6) Exhibit C - Evidence the utility owns the land where the water facilities that will serve the proposed territory are, or will be, located. If the utility does not own the land, a copy of the agreement, such as a 99-year lease, which provides for the long term continuous use of the land. The Commission may consider a written easement or other cost-effective alternative.

B) **WASTEWATER** NOT APPLICABLE

- (1) Exhibit _____ - A statement describing the capacity of the existing lines, the capacity of the existing treatment and disposal facilities, and the design capacity of the proposed extension.
- (2) Exhibit _____ - The numbers and dates of any construction or operating permits issued by the Department of Environmental Protection for the system proposed to be expanded.
- (3) Exhibit _____ - If the utility is planning to build a new wastewater treatment plant, or upgrade an existing plant to serve the proposed territory, provide a written description of the proposed method(s) of effluent disposal.
- (4) Exhibit _____ - If (3) above does not include effluent disposal by means of reuse, provide a statement that describes with particularity the reasons for not using reuse.
- (5) Exhibit _____ - A description of the types of customers anticipated to be served by the extension, i.e., single family homes, mobile homes, duplexes, golf course, clubhouse, commercial, etc.
- (6) If the utility is requesting a deletion of territory, provide the number of current active connections within the territory to be deleted.

- (7) Exhibit _____ - Evidence the utility owns the land where the wastewater facilities that will serve the proposed territory are, or will be, located. If the utility does not own the land, a copy of the agreement, such as a 99-year lease, which provides for the long term continuous use of the land. The Commission may consider a written easement or other cost-effective alternative.

PART IV FINANCIAL AND TECHNICAL INFORMATION

- A) Exhibit D - A statement as to the applicant's technical and financial ability to render reasonably sufficient, adequate and efficient service.
- B) Exhibit D - A detailed statement regarding the proposed method of financing the construction, and the projected impact on the utility's capital structure.
- C) Provide the number of the most recent Commission order establishing or amending the applicant's rates and charges. D
- D) Exhibit D - A statement regarding the projected impact of the extension on the utility's monthly rates and service availability charges.

PART V TERRITORY DESCRIPTION AND MAPS

A) **TERRITORY DESCRIPTION**

Exhibit E - An accurate description of the territory proposed to be added or deleted, using township, range and section references as specified in Rule 25-30.030(2), F.A.C. If the water and wastewater territory is different, provide separate descriptions.

B) **TERRITORY MAPS**

Exhibit F - One copy of an official county tax assessment map or other map showing township, range and section with a scale such as 1"=200' or 1"=400' on which the proposed territory to be added or deleted is plotted by use of metes and bounds or quarter sections and with a defined reference point of beginning. If the water and wastewater territory is different, provide separate maps.

C) **SYSTEM MAPS**

Exhibit F-1 - One copy of detailed map(s) showing proposed lines and facilities and the territory proposed to be served. Map(s) shall be of sufficient scale and detail to enable correlation with a description of the territory proposed to be served. Provide separate maps for water and wastewater systems.

PART VI NOTICE OF ACTUAL APPLICATION

A) Exhibit G - An affidavit that the notice of actual application was given in accordance with Section 367.045(1)(a), Florida Statutes, and Rule 25-30.030, Florida Administrative Code, by regular mail to the following:

- (1) the governing body of the municipality, county, or counties in which the system or the territory proposed to be served is located;
- (2) the privately owned water and wastewater utilities that hold a certificate granted by the Public Service Commission and are located within the county in which the territory proposed to be served is located;
- (3) if any portion of the proposed territory is within one mile of a county boundary, the utility shall notice the privately owned utilities located in the bordering counties that hold a certificate granted by the Commission;
- (4) the regional planning council;
