Gentlemen:

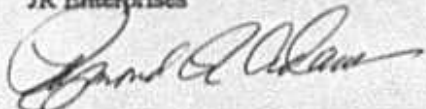

I wish to cancel our Certificate covering Pay Phones. Those phones were sold on December 2, 1996.

The Notice which accompanied the Tax Return for the year states that the Certificate must be returned along with a written request for cancellation. I do not recall ever having received a Certificate, but if we did, it has been lost. I have searched diligently, but I fail to find a certificate.

If there is something else I need to do in order to effect this cancellation, please let me know.

Sincerely

JR Enterprises

Raymond R. Adams
