Dear Mr Reyes,

We would like to inform you that we are officially completely hooked up to Manatee County water system and will no longer be selling our water.

The sewer has been brought recently to our entrance to the property and we are diligently working with our engineers on the construction phase of the sewer project.

We hope within the next year to connect to county sewer.

If you have any further questions, please do not hesitate to contact me.

Thank you for your consideration.

Sincerely,  
*Gail Sylvia*
