**RE:** Request for Confidentiality by Sprint Communications Company Limited Partnership (00609-97)

---

Attached is Sprint Communications Company Limited Partnership's request for confidential treatment of certain data (calculations of Sprint's dollar and percentage reduction impact in intrastate switched access charges) required by the Commission in Order No. PSC-96-1265-FOF-TP, Docket No. 960910-TP. Since this filing is subject to the recently revised Rule 25-22.006, F.A.C., staff does not have to make a recommendation to the Commission unless a public record is filed.

Using the confidential data, staff has completed its tariff analysis. Therefore, please return confidential document number 00610-97 to the company.

Thanks for your assistance. Please call me if you have questions.
