---NOTE-----2/21/97--9:31am--

Richard, I see by the footnote in your recommendation that staff is only going forward with recommended repeal of Rule 25-17.0833 (but not 17.001, 17.091, or 17.084). I would like to change the docket title to show repeal of just 17.0833. If you agree that the docket title should be changed, please indicate in response to this e-mail, and I will use the e-mail to document the change. Kay
