NOTICE IS HEREBY GIVEN that the staff of the Florida Public Service Commission will conduct a workshop to investigate current abbreviated dialing code issues, including N11 code assignment and recent FCC actions. Specifically, we will discuss issues such as: What abbreviated dialing codes are available; what is the status of additional abbreviated dialing codes; should abbreviated dialing codes, including N11 codes, be restricted to ensure that there is no confusion with Florida's 911 emergency system; and should any n11 codes be restricted from use as a result of recent FCC actions. The location of the workshop is room 152, Betty Easley Conference Center, Tallahassee, Florida. The workshop will take place on Friday, March 14, 1997, at 9:30 a.m. Any person who is unable to attend may anticipate via telephone. To participate by telephone, call the following number at 9:30 a.m., Friday, March 14, 1997: Non-Suncom No. (904) 921-5230 or Suncom (904) 291-5230. Interested persons are invited to make presentations on the issues. Written comments may also be filed within 15 days after the workshop. For additional information, contact Mark Long, Division of
