Our File No. 29062.02

Dear Tim:

I noticed today in reviewing my March 11, 1997 response to your list of questions on this matter, that I failed to include the response to Question 5. This was inadvertent on my part. I have outlined below the Utility's response to that question.

5. For the years 1994, 1995 and 1996, please provide a list of the utility's wastewater officers and managers and their salaries. In addition, please provide duties and responsibilities for each officer/manager listed.
