Issue 2: Recommendation that these dockets be closed if no person whose substantial interests are affected files a protest within 21 days of issuance of the order. If no timely protest is filed, the certificates should be cancelled and these dockets closed at the conclusion of the 30-day period after the order becomes final. If a company pays the \$250 fine and provides the information required, the docket should be closed. A protest of one docket should not prevent this order from becoming final for the other dockets.
