Docket No. 960793-WU

March 18, 1997

Issue 2: Recommendation that the rate base, which for transfer purposes reflects the net book value, is \$4,747 for the water system as of December 31, 1995.

APPROVED

Issue 3: Recommendation that a positive acquisition adjustment should not be included in the calculation of rate base for transfer purposes.

APPROVED

Issue 4: Recommendation that Crystal River Utilities, Inc. should continue charging the rates and service availability charges approved for this utility system. Additionally, Crystal River should be authorized to implement its currently approved customer deposits, miscellaneous service charges, and late fee. The tariff reflecting the change in ownership should be effective for services rendered or connections made on or after the stamped approval date. The portion of the order concerning the approval of the customer deposits, miscellaneous service charges, and late fee should be issued as proposed agency action.

APPROVED

Issue 5: Recommendation that this docket be closed if no timely protests are filed to the proposed agency action issues.
