Tallahassee, FL 32399-0850

Dear Sir

This letter is to cancel the Certificate with the Public Service Commission which allows us to be a pay telephone service provider. The one telephone that we had installed never worked properly, therefore no revenue was derived from the telephone. I regret that we cannot return the certificate with this letter because it cannot be found in our files.

Thank you for your understanding and attention to this matter.

Sincerely,

Randy L. Yoder  
Controller
