Please advise if this a transfer of cert.

.....
It is a transfer of control of Cert., the
letter was a little confusing.

.....
I will fix the docket title, based on this
e-mail. This also means Nonnye has to
delete the company code she had assigned
to the new company. If, in the future, we
need to make corrections to any entries to
new dockets in CMS, please let us know as
soon as possible after the docket is
opened. It will certainly help this
last-minute craziness! Kay
