Re: PSC-97-0107-AS-TI

Dear Ms. Bayo:

This letter is to inform you that Qcc has issued the refunds in accordance with the above mentioned order number.

These refunds with interest were processed and refunded during the week of February 24, 1997. The refunds were submitted to ZPDI who in turn distributed them to the respective LECs for inclusion on the various consumer's telephone bills. The results of the initial refund showed a higher amount of rejects than Qcc had anticipated. The Company's data processing department investigated the rejects, was able to fix the changes that needed to be made and has reissued the rejected call records.

As of the writing of this letter, the Company has been unable to refund \$1,893.91. Enclosed, you will find a check for \$1,893.51. This covers the total amount of credits Qcc was unable to refund.

If you have any additional questions, please call me at 913/492-1230, ext. 110.

Sincerely,
