Re: Nuclear outage at Florida Power Corporation's Crystal River Unit No. 3

Dear Ms. Evans:

We spoke on the phone earlier this month. As you know, this agency is reviewing the prudence of Florida Power Corporation's actions concerning the outage at its Crystal River Unit No. 3 (CR3). A former employer at CR3, David Fields, has contacted this agency to present evidence regarding the outage. He has indicated that he presented two separate complaints/reports/concerns to the Nuclear Regulatory Commission. Please provide a copy of the correspondence between your agency and Mr. Fields, as well as any documents reflecting the resolution of Mr. Fields' inquiries. Thanks in advance for your help. If you have any questions, please contact Jim Breman at (904) 413-6664.
