RE: Docket No. 970410-EI - Proposal to extend plan for recording of certain expenses for years 1998 and 1999 for Florida Power & Light Company.

Staff has tentatively reserved October 3, 4, and 6, 1997, for the final hearing in this docket. Yes, October 4th is a Saturday. To facilitate the identification of the issues to be addressed in testimony, Staff has established the following procedure.

All parties and interested persons should file and serve a proposed list of issues no later than June 9, 1997.

A meeting will be held at 10:30 a.m., June 16, 1997, in Room 309 of the Gerald Gunter Building. The purpose of this meeting is to attempt to reach agreement on the issues to be included in the procedural order. If we're unable to agree as to the appropriate issues, Staff will present the matter to the Prehearing Officer. Staff anticipates that a procedural order will be issued in late June, with a testimony filing schedule beginning in late July (Utility, Intervenors, Staff, if any, and Rebuttal). Please contact me at (904) 413-6189 you have any questions.
