Re: Creola, Inc.- Tariff Schedule and Billing Frequency

Dear Mr. Bethes:

We are hereby withdrawing our request of October 10, 1996 to change to our residential service tariff schedule (rate schedule RB) to allow us to bill on a quarterly rather than a monthly billing period. After careful review and discussion with a sample of our customers, our conclusion is that the proposed change would be too confusing and time consuming to implement at this time.

I sincerely hope that we did not inconvenience your staff with what we thought at the time was a good idea. I especially would like to commend Ms. Hillary Keep for the professional and courteous way in which she handled our request. She was a pleasure to deal with and I look forward to working with her in the future.

Please contact me if you have any further concerns, questions, suggestions, or comments.

CK Thank you for your time and consideration.
