Dear Mr. Carver:

RE: Surveillance Audit, Dkt No. 920260-TL; Audit Control No. 96-211-1-1

Pursuant to our phone conversation, I pulled the green certified mail slip and verified that Patti Klein signed for the confidential audit work papers May 22, 1997. As the utility has 21 days from the receipt of these to file its request for confidential classification, the due date for that request should be June 12, 1997. (In previous correspondence, this date was indicated to be June 5, 1997.) By copy of this memo, I will request that the June 12, 1997 date be replaced in the audit files as well as the Division of Records and Reporting. I am sorry for the delay the US Mail took in delivering these work papers to you. If you should have any questions regarding this process be do not hesitate to call me.

Sincerely,

Denise N. Vandiver
