Re: Health Liability Management

Dr. Michael Weilert of Health Liability Management has requested that GTE provide documentation to you confirming that he has established service with GTE in Florida.

On May 23, 1997, Feature Group D access service was activated per his request at GTE's Tampa Tandem Switching Center. The service was established using Health Liability Managements ACNA and CIC code. These are HLM and 5381 respectively.

If you have any questions concerning this documentation, please call me at 813/273-2954.

Sincerely,

Kirby Cantrell
