Dear Mr. Bayo,

I am writing this letter on behalf of Dr. Michael Weilert application for a certificate to provide interexchange telecommunications service by Health Liability Management Corporation Docket #960811-T.I.

I have known Dr. Weilert since 1994 and he has extraordinary management skills and expert knowledge in the field of telecommunications. It is my understanding that he has obtained a certificate in thirty-eight (38) states for statewide interchange telecommunications.

I strongly recommend that the Commission approve his certificate for statewide intercommunication service within the State of Florida.

Sincerely,

William B. Ellinger
