Re: Windstream Utilities Company; Docket No. 960867-WU  
Application for Amendment to Certificate  
Our File No. 26067.02

Dear Ms. Bayo:

After further review of the information submitted by my letter of June 5, 1997, I am writing to state that the color coded map included therein should not have been made a part of that submittal as that map may mislead as to the contents of the settlement agreement between Marion County and Windstream. While the area depicted as Windstream's current and proposed service areas are the areas to be agreed upon for service by Windstream, this map should be eliminated from that June 5, 1997 filing and discarded to avoid any controversy about the terms of our agreement with Marion County.
