Issue 2: Should these dockets be closed?

Recommendation: Yes. If the Commission approves staff's recommendation on Issue 1, these dockets should be closed if no person whose substantial interests are affected files a protest within 21 days of the issuance of the Order. If no timely protest is filed, the certificates should be canceled and these dockets should be closed at the conclusion of the protest period. A protest of the Commission's decision in one docket should not affect the finality of the Commission's decision in the other docket. If the Commission denies staff on Issue 1 the dockets should be closed.
