RE: DOCKET NO. 970367-TP - Request for approval of resale and interconnection agreement by Sprint-Florida, Incorporated with Western Florida Cellular Telephone Corp.

Issue 1: Should the Commission approve the proposed agreement between Sprint and Western?

Recommendation: Yes. The Commission should approve the proposed resale, interconnection, and unbundling agreement between Sprint and Western. Since Western has not received a certificate to operate as an ALEC, Western should not provide service under this agreement until it receives its certificate. The Commission should require Sprint and Western to file any subsequent supplements or modifications to their agreement for Commission review under the provision of 47 U.S.C. §252(e).
